Keep Your Guests Refreshed With a Variety of Beverage Options . . .

Beer & Wine:

State law requires that all beer and wine consumed on premises must be purchased through Grantwood. Beer kegs are permitted in the gazebo, on the patios or in the dining hall. A beer keg is permitted at one on-course beverage station only when monitored by a responsible party provided by the outing organizers.

Beverage Cart:

The beverage cart is available for a flat fee of \$50 plus the cost of product. Any beverage cart carrying beer or wine must be operated by a Grantwood employee.

Beverage Stations:

There are several locations on-course that can be set up with stocked coolers or tubs. On-course beverage stations that include beer or wine may need to be monitored by a responsible party provided by the outing organizers. For donated products such as pop & water a flat fee of \$25 per station will provide set up for coolers, ice and cups.

Grantwood Coolers:

Each cart can be pre-stocked with a variety of beverages of your choosing and iced before you arrive. This is undoubtedly the best and most personalized method of beverage service we can provide.

Please note that personal coolers not supplied by Grantwood or any beer, wine or other alcoholic beverages brought on property is strictly prohibited.
